QUALITY

When it comes to quality, there are no compromises. Our products are crafted using the best materials selected for their excellence in design & durability.

Love your lifestyle all year around

There are so many reasons to love our louvres. Our commitment to provide only the best in design and quality componentry mean our louvres are built to last. Our state of the art design, with tailored automation mean outdoor entertaining need not be limited to seasonal conditions either. Your safety and that of your loved ones, is important to us too. No need to worry about harmful UV rays, our louvres have you covered. An unexpected change in weather need not put a damper on things, with our innovative rain sensors we make sure that you can enjoy your lifestyle whatever the season.

The crisp, sleek lines of our louvres will transform your home into a visual symphony, the height of style and sophistication for your home. NZ Louvres custom build to your requirements. Our team make it easy to select the solution that best fits your lifestyle, so you can rest in the knowledge that your outdoor solution will be the perfect fit for you and your loved ones.

All our louvres are expertly crafted right here in New Zealand, You can be sure that your NZ Louvre system will be designed using only the best materials and componentry and using environmentally sustainable business practice. When you purchase our outdoor solutions, you can be assured you have made a decision that is best for your home, your friends and family, and the environment. All that is left to do, is to love your lifestyle.

Bringing you the latest in automation

Maximise your outdoor living, all year round with NZ Louvres state of the art automation.

NZ Louvres make comfortable living easy, with specifically designed, built in rain detectors that sense even the slightest touch of rain; instantly closing the roofing system protecting you and your loved ones from the elements.

Our remote controls and rain sensors are standard with all our louvres so you can enjoy your NZ Louvres automation without having to pay a premium for it. However, if it's a manual system you are after, we can take care of that too.

Featuring built in rain detectors that sense even the slightest touch of rain; instantly closing the roofing system.

Love your Lifestyle

Ziptrak premium outdoor blinds

NZ Louvres are proud to carry the Ziptrak outdoor blind range. The award winning track guided blind system is an ideal solution for vertical screening and works in perfectly with our open roof louvre systems.

Courtyards, patios, café's and verandas have never looked so good or been so well protected with the addition of the premium blinds found within Ziptrak's outdoor blind range.

Our premium blinds have a spline down each side, slotting into specially designed side channels that work to keep blinds taut between pillars, ensuring protection from the elements year round.

NZ Louvres Ziptrak outdoor blinds not only offer weather protection and durability but also enhance the style of any outdoor venue.

Enhancing outdoor spaces

Our louvres systems aren't just for your roof. Our louvre systems can be applied to fixed louvre panels, operable louvre panels, window louvres, chimney cowl, gates, fencing, and privacy screens.

What's not to love?

Proudly New Zealand owned and operated, NZ Louvres are a team dedicated to providing you with the very best.

From the start we have been committed to ensuring that we never compromise on quality. So the decision to manufacture right here in New Zealand, where we could ensure the best componentry, innovation in design and do our bit for the environment we love, was an easy one.

While our lifestyle solutions are the height of design sophistication, we make sure that they keep you safe too. Protecting you and your loved ones from harmful UV rays while allowing you to enjoy the good kiwi lifestyle we know and love. Innovative and environmentally sustainable outdoor solutions of the highest quality, made right here in New Zealand for you so you can truly love your lifestyle.

SUSTAINABLE

You can assured that when you purchase from NZ Louvres you are making a responsible choice in the selection of your premium lifestyle product.

Looking out for our environment

NZ Louvres practice and enforce the highest of industry standards; we take pride in our responsibility to the environment. NZ Louvres sources local raw materials and components for all our builds that ensure we are as sustainable as possible.

Manufacturing locally allows NZ Louvres the opportunity to source the very best suppliers for your build, whilst delivering a finished product that is environmentally responsible and second to none.

Our main aluminium supplier is firmly committed to a long term environmental and sustainable future. Demonstrating sound environmental performance has acquired them the Enviro-Mark Diamond level certification and to receive AS/NZS ISO 14001 international certification for their environmental management systems.

They are the only aluminium extrusion business in New Zealand to operate a remelt casthouse allowing them to recycle scrap aluminium and provide better control of the composition of their products.

Manufactured in New Zealand to the highest standard

Proudly New Zealand owned and operated, NZ Louvres premium quality louvres are expertly designed and crafted for New Zealand's outdoor environment with durable and quality materials you can count on.

NZ Louvres provide you with the freedom to expand your living and entertaining area while offering protection from all the weather elements. Seek cool refuge from the sun in summer, or embrace the winter from the cozy retreat of your outdoor area.

The team at NZ Louvres is dedicated to providing you and your loved ones with an exceptional lifestyle experience. Being New Zealand owned and operated you can rest assure that all our products are made right here in New Zealand.
